# JUNE 2017

## Featured Artist Brenda Turnour

"As a nature lover & environmentalist, my subjects of choice are the rocks, trees & water which constantly inspire me. Working in acrylics, watercolours, pen & ink, as well as sketching, I try to paint almost every day. I started art lessons when I was 8 years old & sold my first oil at age 12.

I graduated from U. of T. & U. of Caen, where I won my first major art award which added impetus to the creative process. I love entering juried competitions!

Currently I serve as the President of the Central Ontario Art Association enabling me to mentor young, emerging artists & share the artist's journey with others.

I hope that my paintings are evocative of positive memories in the eyes of the viewer. Enjoy!!" *Brenda Turnour*
