

BUILD YOUR BUSINESS WITH THE
LAKE OF BAYS ASSOCIATION 2018 YEARBOOK
 A FAVOURITE READ, A TRUSTED SOURCE

The Lake of Bays Association, founded in 1926, is an organization for cottagers and year-round residents, dedicated to keeping our beautiful corner of Muskoka flourishing. Paid membership is open to landowners, residents, business owners and service providers and most renew their membership at the first notice.

The Lake of Bays Association Yearbook is our best-known and most popular communication vehicle, delivered in June to the homes of 1,200 families. With its comprehensive membership list and contact information for a range of local services, the yearbook is an indispensable guide to life at Lake of Bays and surrounding areas. All ads are cross-referenced in a special advertiser's index.

The yearbook is a high-quality, digest-sized glossy publication of 140+ pages, brimming with gorgeous, full-colour pictures, the best of the best from our popular annual photo contest. The yearbook offers fun feature articles, reports on life around the lake and details on all the association's achievements and activities. Designed to be a standout on the coffee table, the yearbook will keep your advertising message visible through the summer and all year long.

Website Link Provides Added Value. Traffic on our website is well established and our tracking shows that people visit our site year around. A link to your website on www.loba.ca is included with the purchase of all advertisements! The LINKS button on our home page ensures easy access to our advertiser listings, delivering a broader on-line customer base 12 months a year. This website presence is only available to our Yearbook advertisers, and is a great way to increase your business.

Advertise Where It Counts. We promote our advertisers to our members in our newsletters and e-bulletins year-round, as well as at our annual general meeting. Our members understand the importance of supporting the businesses that support their association, and they make a point of shopping locally.

Advertising in the Lake of Bays Association Yearbook puts you and your products and services front and centre with people committed to the association's goals of promoting and enhancing a clean, healthy and natural environment and a well-served community.
